Course	College/University	Year	CGPA/%
M.Sc. Biotechnology	Devi Ahilya Vishwavidyalaya, Indore	2026–27	Result Awaited
Undergrad	Samrat Vikramaditya Vishwavidyalaya (SVV), Ujjain	2022–26	86.0
Intermediate/+2	Kendriya Vidyalaya, ONGC, Vadodara	2021	90.01
High School	Ambe School CBSE, Vadodara	2019	92.00

PRACTICAL EXPERIENCE

- **Internship | Apicore Pharmaceuticals, Vadodara** [Jan'26–Apr'26]
 - Hands-on industrial training program in the QA/QC Department at an active pharmaceutical ingredient (API) facility.
 - Industrial quality control testing, compliance with SOPs, and GLP within the pharmaceutical sector.
- **Internship | IISER Bhopal** [Jun'25–Aug'25]
 - Handled C57BL/6 and CD-ILGS mouse models to culture sperm cells and isolate peritoneal macrophages for immunological testing.
 - Performed molecular and protein analysis using multiple antigen-antibody immunodiffusion assays.
- **Internship | Sanchi, Ujjain** [Jun'24–Jul'24]
 - Hands-on industrial training program in Food regulation with practical experience in industrial QC testing, compliance with SOPs, and GLP within food safety regulations.
- **Internship | Madhav Govt. Hospital, Ujjain** [Nov'23–Dec'23]
 - Hands-on experience in blood and serological typing, including WIDAL testing from collected samples in the histopathology lab, while maintaining biosafety and sterile conditions under hospital protocols.

SKILLS & INTERESTS

- **Laboratory Techniques:** DNA/RNA isolation and quantification, PCR, Western/Northern/Southern blotting, ELISA, SDS-PAGE, electrophoresis, immunoassay.
- **Interests:** Molecular database analysis, drug delivery using AI, bioinformatics.

ENTREPRENEURSHIP PROJECTS

- **Project: Vermicompost** [Aug'22–Dec'22]
 - Worked on *Eisenia fetida*.
 - Vermicompost product development under AECC Curriculum.
- **Product: Moonlight Brew Tea** [Apr'22–Jun'22]
 - Worked on a blend of herbal concoctions made from different flowers and leaves.

ACHIEVEMENTS

- **NPTEL** [Feb'25–Jun'25]
 - Course: Bioinformatics.
 - Scored ELITE SILVER rank.
- **NPTEL** [Aug'25–Dec'25]
 - Course: Biomedical Nanotechnology.
 - Scored ELITE rank.

ACTIVITIES AND INTERESTS

- Participated in Bio-Entrepreneurship and Intellectual Property & Technology Management in Life Sciences by BIRAC in Jul'23.
- Participated in Biodiversity-Biotech Workshop under the MOU program conducted by ZSI, CZRC from Feb'25 to Mar'25.
- Exploring different rabbit holes on the Internet and watching documentaries on space, such as “Cosmos” and “Black Holes”.
